

March is Brain Injury Awareness Month Here's What You Need to Know

**A traumatic brain injury (TBI) can happen in an instant but have lifelong consequences.
Quick Facts About TBIs:**

- Over 2.8 million people suffer a traumatic brain injury each year in the U.S.
- Car accidents are a leading cause of brain injuries.
- Many TBIs go undiagnosed, leading to long-term complications.
- ⚖ You may be entitled to compensation if your injury was caused by negligence.

If you or a loved one has suffered a TBI due to an accident, we're here to help you navigate the legal process and secure the compensation you deserve.

Do You Have a Case? How We Decide & What You Can Do

Not every injury automatically means you have a winning legal case. In this episode of Justice for Y'all, we pull back the curtain on how Bowen Painter Trial Lawyers evaluate cases and what happens if we don't take one.

In this episode we dive into:

Car Accidents, Medical Malpractice & More – What it takes for a case to move forward

The "Oh My Gosh" Factor – Why some cases stand out as clear-cut winners

Medical Malpractice Challenges – The complexities of proving negligence in healthcare

Hit-and-Run Investigations – How we tracked down a missing driver for a recent case

Beyond Workers' Comp – When workplace injuries turn into third-party lawsuits

If you've been injured in Savannah, Georgia, or anywhere in the Southeast and aren't sure if you have a case, this episode is a must-listen.

Client Success Story

"Can't say enough about Bowen Painter. If you're looking responsive and great communication, would highly recommend! Wonderful to work with!"
- Chris C.

Legal Tip of the Month

What to Do If You or a Loved One Suffers a Head Injury After an Accident ☐

A head injury can have serious, long-term effects. If you or a loved one suffers one in an accident, take these steps to protect your health and rights:

Get Medical Help – Even mild symptoms can signal a serious injury.

Document Everything – Take photos, gather witness info, and get a report.

Be Careful with Insurance – Don't give statements without legal advice.

Call a Lawyer – Brain injuries often need long-term care. We help secure compensation for medical bills, lost wages & more.

At Bowen Painter Trial Lawyers, we fight for injury victims. Call us today for a free consultation.
