National Concussion Awareness Day – Sept 19

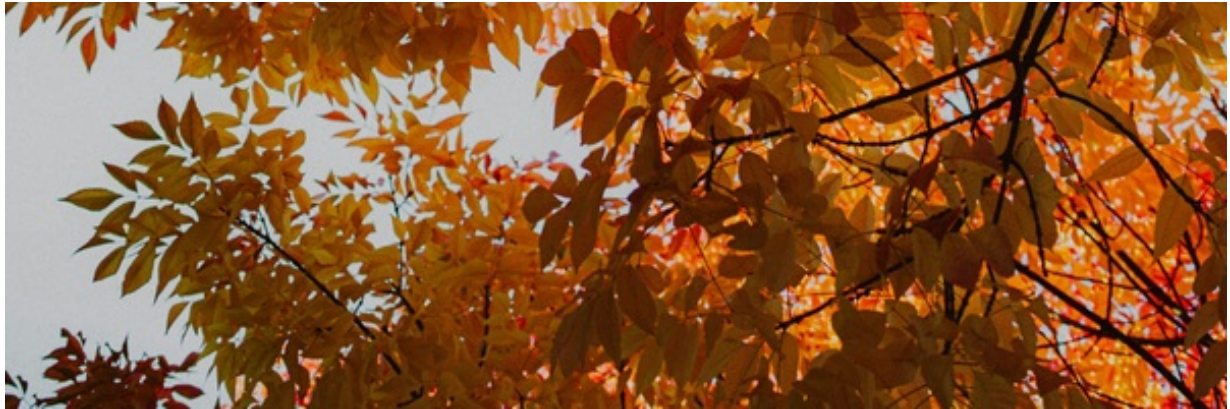

Concussions are more than “just a bump on the head.” They’re a form of traumatic brain injury that can have lasting effects if not recognized and treated properly. National Concussion Awareness Day is a reminder to take head injuries seriously, whether from a car crash, fall, or sports incident. At Bowen Painter, we’ve seen firsthand how life-changing these injuries can be, and we’re committed to helping victims and their families pursue the care and compensation they need.

Fall Legal Tips

- Wet leaves can be as slippery as ice—drive slowly and watch your step.
- Shorter days mean less daylight—turn on headlights early and stay visible.
- School zones are busier—follow speed limits and stay alert.

Stay safe this season, and remember: if negligence causes an injury, knowing your rights matters.
